Juniors

Jane,

Best wishes always
to a very nice, and sweet
young lady. I've really
enjoyed sharing these past
3 years with you. You seem
to help make my days.
Happy Graduation! Good
luck and may god bless
you always.

Love a million

Little lady, you havent got but 15 more days until we Seniors go stomping across that raggy ole stage. But we've put a hell of a lot of sweat in it. You're a very sweet girl and you have been a true friend. Remember Mr. Lyles Thomas, "had" Math class last year. Boy did we have some fun in there. Sure wish we could have been in some of this years classes, but just the same you havent changed in mind, but in bod - yes sure has.

Maybe some day I'll get to see you instead in these stupid dirty halls. Come on by the Meat Dept. some time at food fair and at least wave, or say something. Will ya please
